"The thing I appreciate the most is that you guys aren't just order takers. There's times I call up for something, and after talking with you, it turns out I didn't really need it. Your technical expertise is at a level you just can't find anywhere else."

Frank Demay, GOLD'S GYM
Bloomfield and Enfield Connecticut

Ramps & Wheels

Want to know why the prices on our elliptical ramps and wheels are so much better than anywhere else? News Flash... we invented ramp covers. Get your ramps and wheels from the innovators at Glide and save big bucks.

"Your help has made our lives much easier. The elliptical sleeves (ramp covers and wheels) you sent are a much higher quality than the original manufacturer's, and will definitely extend the life of the machines. I'm looking forward to seeing what you'll come up with next... Not sure if I should tell you this, but your prices are unbeatable!"

Todd Kugler, GOLD'S GYMS, Omaha and Lincoln Nebraska
